

Curriculum Teaching-Learning Process

Teaching- Learning

Experiential learning	Participative learning	Problem solving
Internship/Industrial training	Research Projects	Tutorials
Industrial Visit	Guest Lecture	GPAT classes
In-house hands on training	Quiz Competition	Journal Club Activity
	Webinar/Conference	Personal Counselling
	Extension Activities	
	Paper Presentation	

Process for Attainment of POs and COs:

The Pharmacy students are required to learn and acquire in-depth knowledge, necessary skills to take up various professional positions in the pharmaceutical sector. For practicing the pharmacy professional position the student should be trained both in theory as well in practical. The curriculum designed by Pharmacy Council of India is mainly focusing on skill development along with knowledge, on an average major portion of the curriculum consists of practicals which help in effective attainment of COs and POs.

The College has established a process by which the programme outcomes are measured utilizing both the direct and indirect methods.

Direct Assessment and evaluation methods:

The assessment method is the general type of tool to assess the Student Course Outcomes. The direct assessment and evaluation methods adopted are as follows:

1. Internal and External Written Examination.
2. Assignments & Quiz.
3. Practical Examination.
4. Project Work.

Indirect Assessment and Evaluation method:

The indirect assessment and evaluation method adopted on the basis of extra co-curricular activities like sports, NSS activity, presentation in conferences etc.

Attainment Criteria: While deciding on overall attainment level 80% weightage is given to direct assessment and 20% weightage to indirect assessment through various surveys mentioned above. Thus the final attainment of the program outcomes from the respective course is calculated. The Summary of attainment of COs for each course along with its mapping with POs, is recorded in a document. Institute ensures attainment of graduate attributes by reviewing the teaching learning process periodically.

The attainment of CO for each course is recorded & maintained in an excel sheet and attached in Course file.
